Parents need to update contact information. It is imperative that the school has updated contact information for emergencies and communication.

Read over information in relation to preparation for Pandemic Phases.

Please see if you have access to all the learning platforms that your student will be using, if not please notify teacher or school to obtain the information.
Parents will be strongly encourage to check student for fever of 100.4 and if determined the student has a fever please have them stay at home. If it is determined that student or family member has been diagnosed with COVID 19 please notify school.

School will be sanitized daily (wiping down with sanitizers of door handles, desk and etc. Students will need to wash hands/sanitize hands often. Training of hygiene strategies will be in place for students.

When a Covid 19 case is reported to the school that a student has been diagnosed with Covid 19 Beehive Academy will assess the circumstance, and the consideration of a 2 to 5 day school closure will be determined. During this time the school will be sanitized thoroughly. Parents and staff will be notified of the incident. The school will provide guidelines for the students and students may return safely. The notice will be through email, one call and social media.

School Staff and administration will be available for questions or specific concerns.
### Student Safety Measures

We strongly encourage parents to check their student's temperature before sending them to school and to notify the school if a family member has been diagnosed with COVID-19. Parents are also encouraged to keep their child home if they have a fever or other symptoms of illness.

### Digital Learning Platform

Teachers will use the following platforms for digital learning: Google Classroom, Canvas, Zoom, and Microsoft Teams. Students will be expected to attend school daily and to complete their assignments remotely.

### Lunch

Students will be expected to maintain social distancing and to wash their hands before entering the lunch area. Hand sanitizer will be provided at each table.

### Physical Education (PE)

PE classes will be held in the gymnasium. Students will be expected to maintain social distancing and to wear face masks.

### Attendance

Students who are absent due to illness will be expected to complete their assignments remotely. Students who are absent due to other reasons will be expected to attend school daily and to complete their assignments on time.

### Tutoring

Tutoring services will be available for students who need additional support.

### Clubs

Beehive Academy will implement A/B schedules for clubs, with A days being for traditional and B days being for remote learning.

### Communication

Students are expected to communicate with their teachers and to attend school daily. If a student is absent due to illness, they will be expected to complete their assignments remotely.

### Behavior

Review the school's behavior expectations with your student, including the importance of maintaining social distancing and to follow school rules as traditionally.

### Lunch

Lunch will be provided in a safe and healthy manner, with students expected to maintain social distancing and to wash their hands before entering.

### PE

PE classes will be held in the gymnasium, with students expected to maintain social distancing and to wear face masks.

### Tutoring

Tutoring services will be available for students who need additional support.

### Clubs

Beehive Academy will implement A/B schedules for clubs, with A days being for traditional and B days being for remote learning.

### Communication

Parents are encouraged to communicate with the school about any concerns, including the need for remote learning.

### Behavior

Review the school's behavior expectations with your student, including the importance of maintaining social distancing and to follow school rules as traditionally.

School may have morning temperature checks, and students with fever will be monitored for signs of illness.

When dropping off students, please wait in the hallway to maintain social distancing and to follow one-way traffic rules.

If your student becomes sick at school, please plan to pick them up as soon as possible.
