</tbody>
</table>

- Social distancing strategies: Students will be 6 feet apart at all times. Students’ desks will be 6 feet apart. Class size will be between 10 and 12 students.

- If at all possible we will try to accommodate families with children or family members considered to be High Risk. This will be to keep the families with High Risk individuals fully informed of school reported cases of Covid 19. Consideration of only remote learning.

- One way hallway traffic/lagged dismissal. There will be no students standing in hallways without distancing themselves from other students of 6 feet. Students’ one way traffic will be designated by a marked path. Students will follow the designated pathway at all times.

- Students will be encouraged not to share school supplies. Students’ belongings will be kept with student. If school supplies must be shared, sanitation strategies will be required.

- Students’ desks will be sanitized each class period.

- Students will be required to wash hands or sanitizing hands every hour.

- If students choose to wear gloves - school will provide. Training to properly put gloves on and take them off will be provided.

- If a student has the Flu (not Covid 19) they must wait 7 days before returning to school with a 24 hour period without symptoms.

- Limited extracurricular activities/some remote activities. Determined by Governor and/or the Health Department. The population of gatherings.

- There will be the wiping down of door handles often, during the day. The door may be held open so that there is a limited amount of hands touching the door handles.

- Students will have limited mobility with guidelines. In areas with guidelines, social distancing. Students may not be in close contact with fellow students, staff, or teachers without a mask. 6 feet social distancing will be in place.

- Students must follow the marked signs of student traffic flow in hallways and while waiting in the halls.

- During this phase there will be limited school visitors. Visitors will be asked to come to school only if necessary. Those visitors must abide by the social distancing of 6 feet and a mask may be required.

- Safety Drills/ face to face/ remote

- Fundraisers with safety measures in place. Limited students in the restroom at any given time.
Students are encouraged to bring their own water bottles to limit traffic and use of the school water fountain.

Meetings one on one with students, such as speech therapist or sessions that students cannot wear a mask, there will need to be a plexiglass shield in place for protection of both student and teacher.

When a Covid 19 case is reported to the school like a student has been diagnosed with Covid 19 Beehive Academy will assess the circumstance, and the consideration of a 2 to 5 day school closure will be determined. During this time the school will be sanitized thoroughly. Parents and staff will be notified of the incident. The school will send out notice of when students may return safely. The notice will be through email, one call and social media.

Limited one way entrances and exits to school

School Staff and administrator will available for questions or specific concerns.
