3. POLICY STATEMENTS

3.1. FISCAL YEAR:

The fiscal year for the Beehive Science & Technology Academy is July 1 to June 30.

3.2. ANNUAL OPERATING BUDGET:

The annual operating budget is the means by which the School Board secures adequate financial resources for its educational programs and daily operation of the schools. The budget also provides a basis for accountability in financial management.

Preliminary planning and preparation of the annual budget is accomplished by the Executive Director. The School Board adopts the budget for the next fiscal year on or before June 30 of each year in an open and public meeting. The School Board holds the legally required public hearings on the budget on or before the date of the open and public meeting in which the budget is adopted.

3.3. RESPONSIBILITY:

The Executive Director is responsible for the financial management of the school. The Executive Director ensures that all policies enacted by the school board and the local authorities are complied with, that all

accounting records are recorded and maintained accurately, and that all financial reports are prepared and submitted timely. The Executive Director may delegate his function –either full or in part – to the school business manager or an authorized agent ensuring that he/she maintains control and responsibility over fiscal management.

3.4. TYPES OF FUNDS

Beehive Science & Technology Academy will have minimum number of funds for sound fiscal management. Type and functions of the funds shall be determined and approved by the school board. Major types of accounts and their descriptions are as follows:

- General Fund: The fund designated to account for the general operation of the school and all other financial resources of the school except those accounted for in another fund.
- Child Nutrition Fund: Federal regulations require that the Child Nutrition Fund be accounted for separately if the school involves in Federal child nutrition program. All revenues and expenditures related to Food Services should be recorded in this fund. The Food Service Fund may not transfer money to any other fund. Any fund deficit at the end of the year must be eliminated through an operating transfer from the General Fund. Any fund balance must be retained for future use for Food Service.
- PTO Fund: This fund is optional and will be utilized only if the financial activities engaged by PTO of the school involve a total budget of \$50,000.00 or more.

3.5. RETURNED CHECK POLICY:

The school shall permit individuals to use personal checks for the transaction of business with the school. If the check is returned for any reason the following shall apply:

- A service fee to cover the bank charge and bookkeeping charge will be assessed. This fee will be a reasonable amount no less than the amount the bank charges the school account. The charge may be waived by the Business Manager if the error was caused by a financial institution, and the appropriate documentation is submitted.
- Any person who has a check returned to the school on more than four occasions shall not be allowed to write checks to the school; only cash or a cashier's check will be accepted for the remainder of the year.
- Any person whose check is returned to the school should reimburse the school all the fees and Executive Director amounts within 30 days. The person shall be so informed by a letter from the Administration. After 30 days the matter may be turned over to the legal authorities.

3.5.1 Cash Receipts:

Beehive understands the importance of proper handling and accounting for all cash receipts, including currency, coin, checks, ACH transactions, and credit card transactions. Any Beehive administration, licensed educators, staff, students, organizations, or individuals that handle cash receipts or accept payment in any form on behalf of Beehive will do in compliance with applicable state and federal laws. All receipting of funds at the school will be done at the front office through the designated secretaries. Teachers and staff should not accept funds in their classrooms or in unapproved off-site locations. Only director may open bank accounts for the receipting or expending of public funds associated with school-sponsored activities. All funds will be kept in a secure location controlled by the front office until the funds are deposited in a school-approved fiduciary institution. Funds will be deposited daily or within three business days after receipt, in compliance with Utah Code 51-4-2(2)(a), in a school-approved account. Employees should never hold funds in any location for any reason. Cash receipts must not be taken home by employees or volunteers, or left in classrooms. All checks are to be made payable to Beehive and restrictively endorsed upon receipt. Checks are not to be made payable to an employee, a specific department, or a program. Cash should always be verified. Where verification is difficult, cash should be counted by two individuals. Documents should be available, and should demonstrate that proper cash controls are in place (signatures for approval, tally sheets, reconciliations, etc.).

3.5.2. SALES TAX EXEMPTION:

Sales and rentals to schools are tax exempt. To qualify as a sale to a public school, the purchase must be made with the school's funds. Tax exempt purchases must be supported by a signed and completed Tax Commission form TC-721, Exemption Certificate. The Director may issue the form as needed for school purchases made by employees. The school's tax exempt number must be entered by the cashier at the time of purchase so employees should ensure they understand the process before making purchases using school funds. The school's sales tax number may not be used for non-school or personal use. Before offering an item for sale or rental in the school (not including items needed for classroom activities), employees should verify sales tax requirements with the Director.

3.6. REGISTRATION FEE:

Students are required to pay a non-refundable registration fee when they enroll the school. The amount of the registration fee for each year will be determined by the Executive Director and may not be more than \$195 (one hundred ninety five dollars). Registration fees will be maintained in a separate account.

3.7. BOOK DEPOSIT:

Beehive Science & Technology Academy does not charge book deposit. At the end of the each school year, two appointed staff members will collect the distributed textbooks and evaluate their conditions. For any textbook that is misused due to carelessness or neglect, the school may charge the student a fine.

3.8. PURCHASING:

The primary business duty of the school administration is to ensure the most effective and fair use of public funds. Therefore, all purchases shall be made at the best price available, giving consideration to quality, conformity to specifications, suitability to the requirements of the educational system, delivery terms, and past performance record of the bidder. The School Board authorizes the Executive Director and/or business manager to purchase and supervise the purchasing of all materials, goods and supplies for the school in accordance with State law and policy guidelines set forth here. The Executive Director can set up criteria to be met in the acceptance of gifts, and the procedure for examining and evaluating offers of gifts to the school. Any gifts presented to the school should be accompanied by a letter from the donor for official action and recognition by the Executive Director.

To be acceptable, a gift must satisfy the following criteria:

3. Will place no restrictions on the school program.

5. Will not imply endorsement of any business or product.
6. Will not be in conflict with any provision of the school code or public law.
7. Meet all current applicable safety codes for equipment.

All gifts, grants, and bequests will become school property. A letter of appreciation signed by the Executive Director will be sent to a donor.

The school shall not discriminate in acceptance and administration of gifts, bequests, scholarships and other aids, benefits or services to students from private agencies, organizations or persons on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.
