This plan highlights:

## 6. School Support- Activities

Fall Festival

Volunteers are needed to help run ticket sales, games, food, etc.

Stem Expo- February 21, 2026

Costs increase every year and we need help with funding if we are to continue participating. Further information will be sent out shortly so we can give more info to potential sponsors.

20 Year Celebration

We want to have the focus of all events this year to incorporate the celebration of Beehive's 20 years in operation. We will be holding a 20th Anniversary Party in March at the Veridian. This will be by invitation as the venue has limited occupancy, and invitees will potentially include local and state government officials, faculty, staff, Beehive alumni, and others.
